

Break Resistant Ultrasonic Instruments

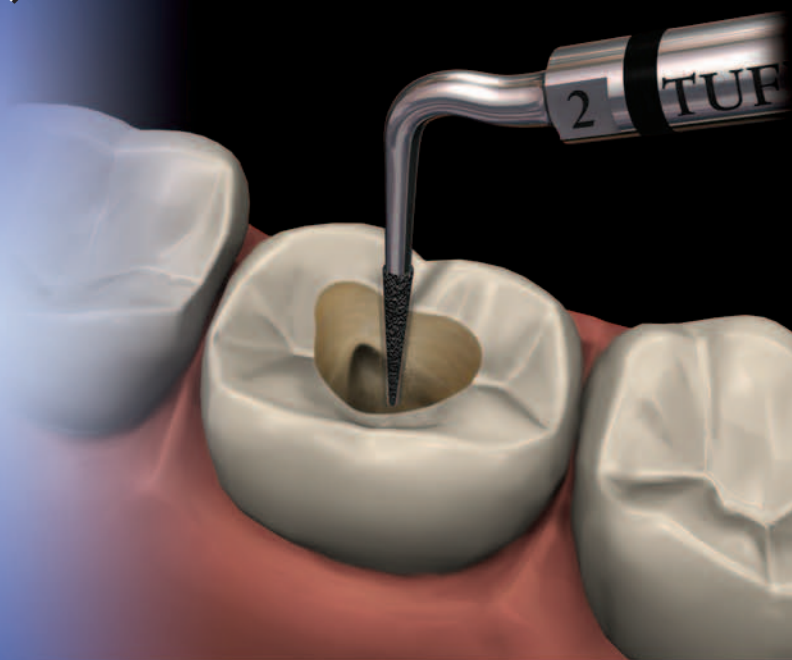

◆ DOUBLE DIAMOND ◆

TUFI'S are an enhanced version of our UFI instruments. Now Break-Resistant, they have been redesigned to include the "Accu-Port" fluid delivery feature. "Accu-Port" delivers fluid where you need it...when you need it!

TUFI'S incomparable double diamond coating provides superb cutting efficiency. Whether gaining access to canal openings or smoothing and finishing various restoratives, you're sure to find **TUFI'S** your ultrasonic instrument of choice.

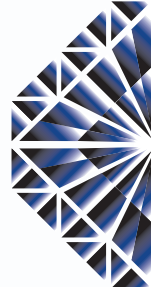

"Extremely helpful in locating the elusive MB2 canal. The durable and efficient TUFI's are the best tips to hit the market in my 20 years as an endodontist."

Michael L. Squitieri, D.D.S., M.S.
